

He'll Have To Go

Joe & Audrey Nelson (1958)

Jim Reeves UK No.12 in 1960

3 / 4 Time. Intro: [C] [G] [C] [G7]

Put your [C] sweet lips a little [F] closer to the [C] phone,
Let's pre-[C]-tend that we're [C] together all a-[G]-lone, [G7]
I'll tell the [C] man to turn the jukebox [C7] way down [F] low, [Fm]
And you can [C] tell your friend there [G] with you,
He'll have to [C] go. [G7]

Whisper [C] to me, tell me [F] do you love me [C] true,
or is [C] he holding [C] you the way I [G] do? [G7]
Though love is [C] blind, make up your [F] mind, I've got to [Fm] know,
Should I [C] hang up, or will you [G] tell him,
He'll have to [C] go. [C7]

*You can't [F] say the words I want to hear,
While you're [C] with another man,
Do you [F] want me, answer yes or no,
Darling [C] I will under-[G7]-stand,*

Put your [C] sweet lips a little [F] closer to the [C] phone,
Let's pre-[C]-tend that we're [C] together all a-[G]-lone, [G7]
I'll tell the [C] man to turn the jukebox [C7] way down [F] low, [Fm]
And you can [C] tell your friend there [G] with you,
He'll have to [C] go. [F]¹² [C]!
