

## It's Almost Tomorrow

Time

My [F] dearest my [Am] darling, to-[Bb]-morrow is [F] near,  
The [Bb] sun will bring [F] showers of [G7] sadness I [C7] fear  
Your [F] lips won't be [Am] smiling, your [Bb] eyes will not [F] shine  
For [Bb] I know to-[F]-morrow that your [G7] love won't [C7] be [F] mine.

It's [F] almost to-[Am]-morrow, but [Bb] what can I [F] do?  
Your [Bb] kisses all [F] tell me that your [G7] love is un-[C7]-true.  
I'll [F] love you for-[Am]-ever, 'til [Bb] stars cease to [F] shine,  
And [Bb] hope someday [F] darling, that you'll [G7] always [C7] be [F] mine.

Your [F] heart was so [Am] warm dear, it [Bb] now has turned [F] cold.  
You [Bb] no longer [F] love me. for your [G7] memories grow [C7] old.  
It's [F] almost to-[Am]-morrow, for [Bb] here comes the [F] sun,  
But [Bb] still I am [F] hoping that to-[G7]-morrow [C7] won't [F] come.

It's [F] almost to-[Am]-morrow, but [Bb] what can I [F] do?  
Your [Bb] kisses all [F] tell me that your [G7] love is un-[C7]-true.  
I'll [F] love you for-[Am]-ever, 'til [Bb] stars cease to [F] shine,  
And [Bb] hope someday [F] darling, that you'll [G7] al-ways [C7] be [F] mine.
