4 / 4 Time Intro [G] [G7] [C]

[C] Each night we meet and talk a-[G]-bout you,
Remin-[G7]-isce about the things you used to [C] do.
[F] We just sit around broken-[C] hearted,
'Cause [G] all of us are [G7] still in love with [C] you.

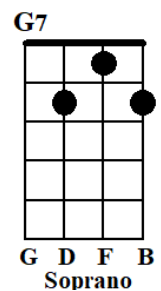

*Oh, yes we're [F] ten lonely guys with [C] ten broken hearts,
We [G] thought your [G7] lies were [C] true.
Yes, we're just [F] ten lonely guys with [C] tears in our eyes,
[G] Ten lonely guys who [G7] still love [C] you.*

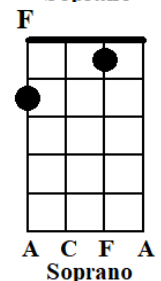

[C] Eddie was the first one to [G] hold you.
[G7] Jerry was the first to taste your [C] kiss.
Then came [F] Johnny, Stan, Ricky, Neal, and [C] Bobby, Jack, and Cliff.
And [G] I was the [G7] last one on your [C] list.

*Oh, yes we're [F] ten lonely guys with [C] ten broken hearts,
We [G] thought your [G7] lies were [C] true.
Yes, we're just [F] ten lonely guys with [C] tears in our eyes,
[G] Ten lonely guys who [G7] still love [C] you.*

[C] The footsteps at the door can mean just [G] one thing,
Someone [G] else has been a fool for [C] you.
One more [F] guy who wants to tell his [C] story,
[G] One more guy who [G7] knows what we've been [C] through.

*Oh, yes we're [F] ten lonely guys with [C] ten broken hearts,
We [G] thought your [G7] lies were [C] true.
Yes, we're just [F] ten lonely guys with [C] tears in our eyes,*
