[A7] Dear friends, the **[D]** next time you **[G]** find yourself in **[D]** our locality,
[A] Try a sample of our **[D]** hospitality.
There's **[G]** always room at our house,
To **[D]** share a smile or two,
There's **[A]** always room enough, dear friends, for **[D]** you.

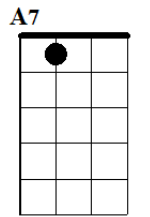

[A7] We'll have some **[D]** coffee and cake
And maybe sing a tune or so
[A] Introduce you to some **[D]** folks you'd like to know
There's **[G]** always room at our house
A **[D]** good time always starts
When **[A]** every room is full of happy **[D]** hearts **[D7]**

You really **[G]** don't have to phone
Because we're **[D]** mostly at home
[E7] Shining up the welcome on the **[A]** door.

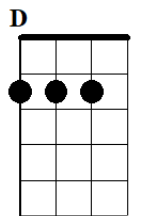

[A7] Dear friends, the **[D]** next time you **[G]** wanna be
With **[D]** folks who think you're grand
[A] Like to see your face
And **[D]** shake you by the hand
There's **[G]** always room at our house
To **[D]** share a smile or two
There's **[A]** always room enough, dear friends, for **[D]** you.

Outro:

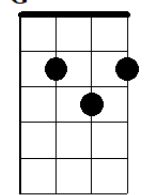

Oh Yes! There's [A] always room enough, dear friends, for [D] you.
